

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Sunday, June 13 2010

Time	<i>ElieI-Selim (at the hotel)</i>	<i>Commodore (at the hotel)</i>			
8-9		8.30-12.00			
9-10	9.00-17.00 FELASA Board Meeting	ICLAS EC meeting			
10-11					
11-12					
12-13					
13-14		13.00-17.00 ICLAS Governing Board meeting			
14-15					
15-16					
16-17					
17-18					

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Monday, June 14 2010 AM

Time	Baltica	Meeting room 1	Meeting room 2	Meeting room 3	Meeting room 4	Eliel-Selim (at the hotel)
8-9	9.30-12.00	9.00-12.00	9.00-12.00		Seminar for laboratory animal facility people Max. 20 Participants	
9-10	W2 - Leadership in association management	FELASA EC meeting	ICLAS CIOMS group meeting	Reserved for Speakers	9.00-9.50 Single-use clipper for contamination-free simultaneous ear marking and genotyping of rodents <i>Dr Markus Brielmeier, HelmHoltz Center Munich, Germany</i>	
10-11					10.00-10.50 CSM - Change Speed Motion The system transforms repetitive operations into automatic processes <i>Giovanni Tartaglia, Tecniplast Corporate Italy</i>	
11-12					11.00-11.50 RFIDtech Ready – The Tecniplast Radio-frequency identification (RFID) system and middleware for cages identification and tracking using radio waves is easy to integrate in every Data Management Software for Animal Research <i>Stephan Hammelbacher, Galilei Software, Holzkirchen, Germany</i>	
12-13					12.00-13.00 Single-use clipper for contamination-free simultaneous ear marking and genotyping of rodents <i>Dr Markus Brielmeier, HelmHoltz Center Munich, Germany</i>	

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Monday, June 14 2010 PM

Time	<i>Baltica</i>	<i>Meeting room 1</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>	<i>Eliel-Selim (at the hotel)</i>
13-15	Opening ceremonies Karl-Johan Öbrink lecture				Break 13.00-14.30	
14-15			14.00-16.00	Reserved for Speakers	Seminar for laboratory animal facility people Max. 20 Participants	
15-16			ICLAS American Regional Committee meeting		14.30-15.30 RFIDtech Ready – The Tecniplast Radio-frequency identification (RFID) system and middleware for cages identification and tracking using radio waves is easy to integrate in every Data Management Software for Animal Research <i>Stephan Hammelbacher, Galilei Software, Holzkirchen, Germany</i>	
16-17	17.00-19.00				16.00-17.00 Single-use clipper for contamination-free simultaneous ear marking and genotyping of rodents <i>Dr Markus Brielmeier, HelmHoltz Center Munich, Germany</i>	
Exhibitors' Evening 17.00-20.00						

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Tuesday, June 15 2010 AM

Time	<i>Baltica</i>	<i>Meeting room 1</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>	<i>Elie-Selim (at the hotel)</i>
8-9	8.30-10.30 A Hot Topic: Environmental Procurement in Vivarium Operations			Reserved for Speakers		8.30-10.00
9-10						
10-11			10.00-11.00 New CO₂ euthanasia box for rodents - exposure line			
11-12	11.00-13.00 Important logistical issues when transporting laboratory animals Moderators: F. Van Gelder, Impex Europe Workshop provided by Impex Europe					11.00-13.00 OIE/ILAR/IACLAM Joint Forum to discuss International Standards for Veterinary Training in Laboratory Animal Medicine

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Tuesday, June 15 2010 PM

Time	<i>Baltica</i>	<i>Nordica</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>	<i>Elie-Selim (at the hotel)</i>
12-13	12:00 - 12:30 Senior veterinarian Martin Fitzner Toft Taconic "Experiences with international shipments of laboratory rodents" 12:30 - 12:50 CEO IMPEX UK Eric Morgan "High quality standards for logistics when transporting live animals" 12: 50 - 13:00 Q & A session moderator: F. Van Gelder		12.30-15.00 Reserved	Reserved for Speakers		11.00-13.00 OIE/ILAR/IACLAM Joint Forum to discuss International Standards for Veterinary Training in Laboratory Animal Medicine
13-14	13.30-15.30 Standardization and Housing					13.00-15.00 S5 – ICLAS Scientific Session on CIOMS principles and harmonization
14-15						
15-16	15.30-17.30 Charles River Short Topics CNS Models: Expanding the Possibilities to Investigate Neurodegenerative Disease Oncology Models: Benefits with the SCID Hairless Outbred (SHO) Mouse Oncology Models: Applications for the NOD scid gamma (NSG) Mouse PCR for Pasteurella Species – Pitfalls and Promises Diagnostic Challenges in Laboratory Animal					15.00- W8 – Beyond Housing.....adding value with the 3Rs
16-17		16.30-17.30				
17-18		Scand-LAS AGM				
Helsinki City Reception 18.00-20.00						

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Wednesday, June 16 2010 AM

Time	<i>Baltica</i>	<i>Meeting room 1</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>	<i>Eliel-Selim (at the hotel)</i>
8-9	8.30-10.30	9.00-11.00	8.30-12.30			8.30-12.30
9-10	Automation, an investment for everyone or just for the few?	Protecting personnel, animals and your research An in-depth look at BSL 2 and 3 levels of allergen control and infectious disease containment through the use of techniques and equipment proven effective in leading facilities throughout the world. Michael G. Sidelsky, Sr., RLATG, Rodent Facility and Housing Specialist Allentown, Inc.	Reserved for ICLAS	Reserved for Speakers	Invidan Seminar Register by email to lauri.harjula@invidan.com	AAALAC International Orientation Seminar for ad hoc Consultants/ Specialists
10-11					9.00-11.00 How can computerized animal facility management help in following and executing the principle of 3Rs?	

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Wednesday, June 16 2010 PM

Time	<i>Baltica</i>	<i>Meeting room 1</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>	<i>Eliel-Selim (at the hotel)</i>
12-13	<p>11.00-13.00</p> <p>Wi-Com Sensus – wireless animal inventory management system by Allentown</p> <p>Allentown will offer a live product demonstration of Wi-Com Sensus – the industry's most popular choice to streamline and automate animal inventory using RFID technology.</p> <p>Steven J Miller, BSME, PE, Senior Project Engineer Allentown, Inc.</p>			Reserved for Speakers	<p>Invidan Seminar Register by email to lauri.harjula@invidan.com</p>	<p>12.30-14.00</p> <p>LAL AGM</p>
13-14	<p>13.30-15.30</p> <p>The selection process of primary containment for ABSL3/ABSL4 facilities and the importance of personnel training</p>				<p>13.00-14.00</p> <p>Regulatory compliance in management software – a must for some, a huge benefit for others</p>	
14-15	<p>15.45- 17.30</p> <p>S10 – FELASA Training and Education Accreditation: How and Why?</p>				<p>15.00-16.00</p> <p>Introduction to Invidan Viva™ software solution</p>	
15-16						
16-17						
Gala Dinner 19.00-24.00						

New Paradigms in Laboratory Animal Science

A Joint FELASA/Scand-LAS symposium

Marina Congress Center, Helsinki, Finland, June 14-17, 2010.

Meetings, Seminars and Exhibitors' Programme

Thursday, June 17 2010

Time	<i>Baltica</i>	<i>Meeting room 1</i>	<i>Meeting room 2</i>	<i>Meeting room 3</i>	<i>Meeting room 4</i>
8-9		8.15-12.00	8.15-12.00	Reserved for speakers	
9-10		W9 – Ethical footprint of animal studies	W9 – Ethical footprint of animal studies		
10-11					
11-12					
Closing ceremonies
