6.5.2010

Sponsoring the Lectures

- You can also sponsor the scientific lectures. For this, please contact the Scientific Committee.

Sponsoring the LAS Competition

- LAS Competition is the platform for presenting outstanding research achievements in laboratory animal science. Take the credit for your hard work, present your results to colleagues and convince them on how you think they ought to improve future research procedures on animals.
- The FELASA2010 Scientific Committee will review the submissions and choose up to eight for presentation at the FELASA2010 meeting to be presented in the session 'The European LAS Competition of 2010'
- The best ones will be awarded
